New Business

Chicago Wolves Family Night is February 17th 2018. The Wolves are giving away hats and Bobble Heads at the game. A flyer going home in the Friday folder with information on ordering tickets. Completed forms must be turned in by FEBRUARY 9th. Our group has a block of 50 tickets on the first floor.

Fleetwood Family Skate Night: Planned for March 2018

This skate night for the whole school! We will have three hours of open skate for DP families. We will need parent volunteers to make this night a success.

Savers FunDrive: Planned for April 2018

Savers will pay us per pound for items from our household Spring Cleaning! Students are asked to bring in their donations in April. We will need parent volunteers to load donations onto a truck.

Mr. Keough can no longer run Chess Club. DI has a program called Chess Scholars that we could contact and check availability. There is a cost involved, somewhere \$125 or so per family, so we will first email families to see if there is any interest in parent volunteers before pursuing the more costly route.
